

### **Michael Feinstein (2/25/17)**

John & Jessica run into singer/pianist/conductor/music historian Michael Feinstein, of all people, at the Colony Hotel in Palm Beach, of all places, and insist that he participate in their radio show, which he does. And it's everything we'd hoped for. Michael talks about working for lyricist Ira Gershwin and his friendships with composer Harry Warren, singer Rosemary Clooney, and many others.
